

EDITING SERVICES

We offer an editing-only service for an existing footage or projects you may have that are either unedited or require re-editing. This may involve VHS transfer or DVD ripping.

Projects may be anything from home movies to self-shot material for organizations and local groups, old wedding videos, live band footage or personal memories. We also offer a VHS to DVD transfer service.

If the project involved is a showreel, please see our Showreel ratecard.

Edits can be from a matter of hours to a full day or more. To help you fund the project, we offer an instalment payment plan to spread the cost over the life of the project.

We tailor packages to cover your individual requirements - please contact us to discuss your project and to receive a quote.
