

STILLS PHOTOGRAPHY SERVICES 2009/10

We offer stills photography services to cover a wide variety of project requirements. Our past work includes promotional stills for product launches, promotional band photography, live music and festival shoots, corporate events, theatre productions, 'behind-the-scenes' on film shoots, film shoot promo shots, local and amateur productions and events.

We also have a partnership with one of the UK's leading studio/glamour & wedding photographers who may be hired at additional rates.

We have access to both black and white studio spaces, or can source additional locations, all for appropriate additional hire costs.

Shoots can be from a matter of hours to a full day or more. To help you fund the project, we offer an instalment payment plan to spread the cost over the life of the project.

Please contact us to discuss your project and to receive a quote.
